

21.29F. ADDED ENTRIES. Statement of responsibility. [New]

*CONSER standard record practice:* It is not required to give a note for statement(s) of responsibility if there is a 7XX field for the person(s) or corporate body(ies). If an existing record or if data supplied by external sources has a note about the statement of responsibility, don't delete it.

*CONSER minimal record practice:* If an authority records exists or is being created in the LC/NAF for the person(s) or corporate body(ies) given in 7XX field(s), it is not required to give a note for statement(s) of responsibility. If an existing record or data supplied by external sources has a note about the statement of responsibility, don't delete it. In cases where no authority record will be created or updated, give a note for a statement(s) of responsibility.
